to Cherie Lee**

ABCs DIVIDE and CONQUER

Come join us at this year's ABCs to divide your plants and conquer your growing challenges!

Our April meeting will be our annual ABCs and you won't want to miss it.

When: Saturday, April 13th from 10am to 2pm

Where: The Edmonson's at 16023 Pebble Bend Drive 77068

Contact: For help with directions, call Mary at 346-235-8931.

If you are new to bromeliads or the society, our members love to share and this is the perfect event for you to meet them and get set up for successful growing. Experienced growers can benefit as well drawing on the expertise of other growers in this area.

If you have a plant or two that you'd like to fix up and would like some help, bring them. We're talking about those plants that need careful dividing, repotting or just a general tidying up.

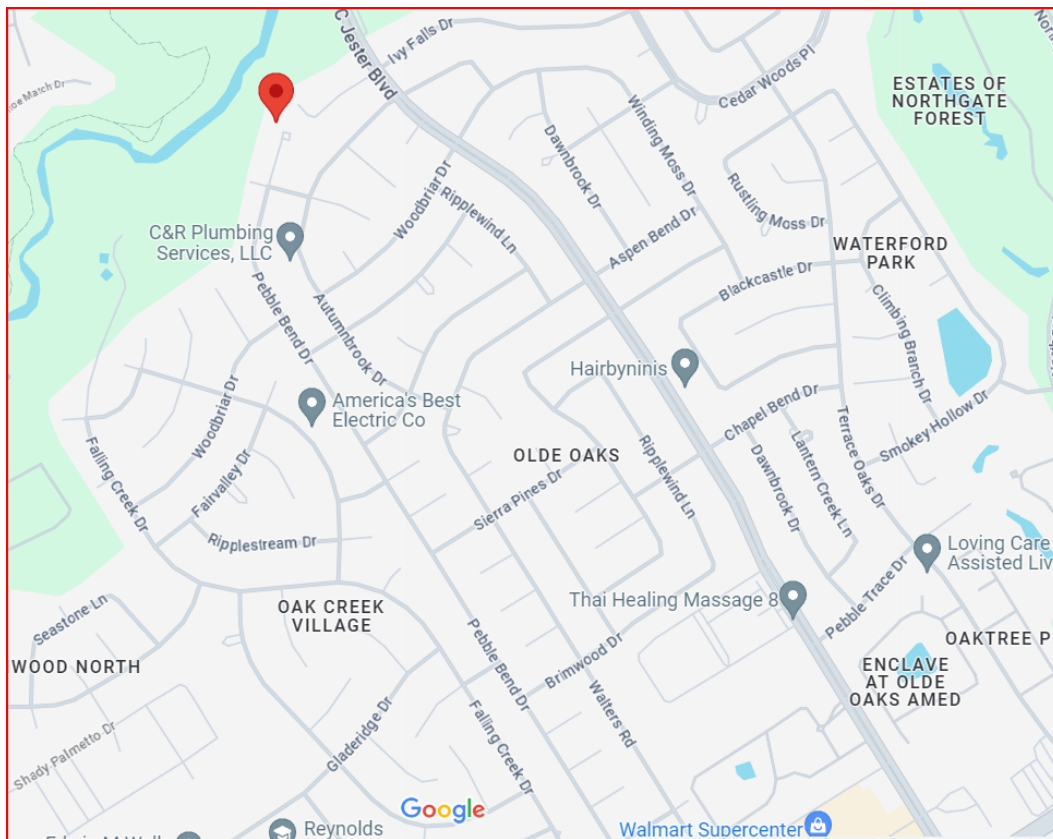

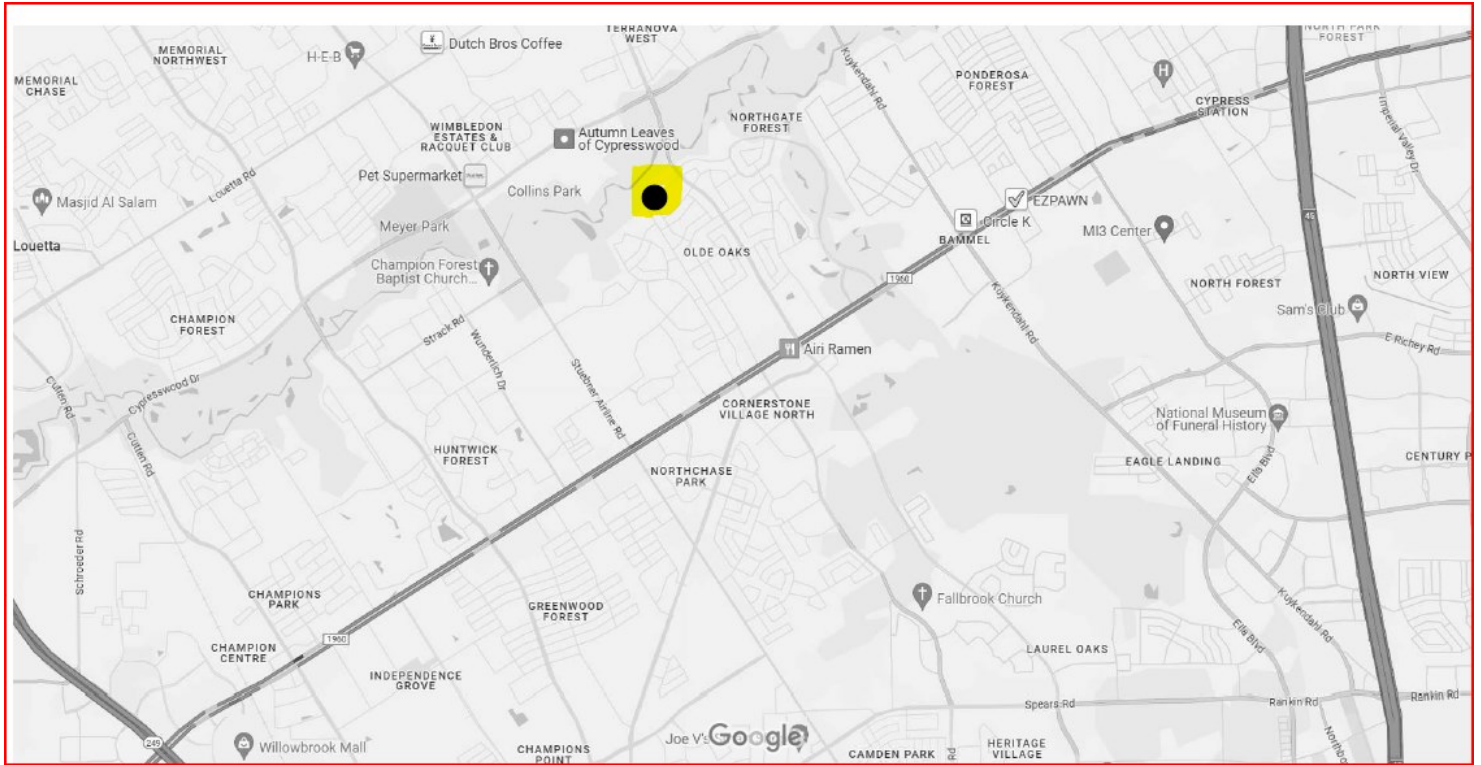

We will have folks show how to handle Cryptanthus, Neoregelias, Dykias and Aechmeas. They will demonstrate their techniques and preferred tools at their workstations. And they will cover the tips for preparing for a BSHI show.

Part of the fun is sharing a meal with friends at lunch too! Brisket and ham will be provided along with water and assorted soft drinks. Plan to bring your specialty side dish or dessert to share with other members.

Also, this is a BYOC event. Tables will be provided, but, Bring Your Own Chairs!

See you there!
